Film:

Subject:

Wedding of Annie Hannett and Blake Powell

Notes:

Strange one this I could swear that the chap in the topper on the right is Freddie Fulford but what would he be doing in Nottingham in 1901? Freddie was as far as I know still a resident of Stoke Newington in 1901 training as a surveyor, he doesn't as far as we know come to Nottingham until he is in the armed forces.

People:

Annie and Blake Powell.

Dates:

The date is guess based on the Free BMD record.
