**Subject:**

Great Grandma Joan and Harry water the lawn.

**Notes:**

These pictures are from my mother's camera. The dates are wrong I think. This is clearly Harry with my Mum but he would only be 18 months old in November 2007. His mum thinks that's right but I'm not convinced.

**People:**

Joan Fulford, Harry Riley.

**Dates:**

The dates are taken from the exif data but I think think they are a year or two out and it don't look like November to me.
