

Roll: 20230331-20262  
Camera: Canon EOS 5D Mark III: E53  
Film: Full frame digital

**Subject:**

U3A "Monochrome" project.

**Notes:**

Some snaps on a short walk through the park and backup Albert Road on a damp day. Taken with the intention of rendering in monochrome I chose a wet day to lend atmosphere. The raw images are in full colour and then rendered in black and white when developed with Darktable.

**Dates:**

Dates and times are verified from original exif data.

**Frames:**

F47B6341 20230331 09:39:33 Bridford Hall after rain.  
F47B6342 20230331 09:41:11 Park bench after rain.  
F47B6344 20230331 09:43:25 Park bench after rain.
