**Subject:**

Holiday in North Yorkshire 18th - 24th August 2012.

**Notes:**

Two superb photographs taken by Joseph. I must say the colour balance and exposure produced by this cheapo midget camera are remarkable. The detail of the background to the trip are in roll 6203. I'm guess that these two shots were taken in Richmond. Doesn't Max look sleek?

Rahel and Clifford.

**Dates:**

The dates have been manually added to the exif data. I would imagine they are accurate but the times are likely to be highly inaccurate.
