Subject:

Royston and Beaumont Gardens.

Notes:

Nottingham on 8th August. According to Maggie's diary I kept everyone entertained with a Pete McCrystal voice throughout the journey. Some of it she thought was a cover for the fear of Roy's driving. Had to stop to change a tyre as a stone ripped the rubber off. Stopped for a drink in Long Eaton then on to Nottingham. Had a drink in the Hussars where we met Betty and Bert. Went back to Beaumont Gardens. Maggie comments on the Colour Television where we fell asleep on the floor.

From memory I believe the shots of Roy were taken at Willow Woods. Roy was recovering from his hernia operation at the time.

People:

Clive Royston Fulford

Dates:

Arrived in Nottingham on the 8th and returned on 15th so these images must have been captured between 9th and 14th.
