Camera: **Zorki 4:ZO4**

Film: **Ilford HP4.**

Subject:

Studio Portraits of Maggie & Clifford.

Notes:

Set up is an old grey blanket pinned to the rafters (attic room) and two old floor lamps for lighting.

Vaguely recall the gorilla but no idea where. After a little research have found out far more than I knew at the time about what is Munro's tribute to the brutalist engineer that designed 60s Birmingham Henry Manzoni. For more detail see <https://www.fulford.net/index.php/blogs/21-photographic-history/109-manzoni-king-kong>

People:

Clifford Wesley Fulford and Maggie Thornton Hughes

Dates:

Has to be between return to Birmingham Friday 15th August and Haircuts at Michel's for both of us, on Thursday 28th August, gone for "Evening at home" on Friday 22nd. The gorilla shots, lord knows.
