**Subject:**

Rahel's trip back to Addis.

**Notes:**

Both were a bit vague about when this trip was at first. It didn't help that from frame 063 the date and time settings appear to have reverted to the manufacturer's settings. The date sequence made it look as if there were two trips but once sorted into frame number order it all made sense. This is Rahel's 2013 trip to Addis to be with her Mum to celebrate her having been saved from some terrible accident, hence all the religious chappies.

**People:**

Joseph, Rahel and her family. Especially of not are Grandpa Tesfaye, Abrehet and Uncle Luam.

**Dates:**

Dates and times are taken from original exif data but the last 18 frames I've changed the dates from 1st Jan 2004 to 1st and 2nd July 2013 which fits perfectly with the sequence of the images.
