Indoor photography fun

**Notes:**

A one day course at Beeston library that I came across just a few days before it was due to take place. Usually all the photography courses are fully booked very soon after being announced so I wasn't hopeful but well, it happened. I think perhaps the event was scheduled at last minute.

A brilliant day. The leader of the course, Alison Sisson, spent little or no time discussing what we were going to do or how but the kit was there and we were encouraged just to get on with it. It was a lovely group of people and I think we all got on well together and produced some good results.

**People:**

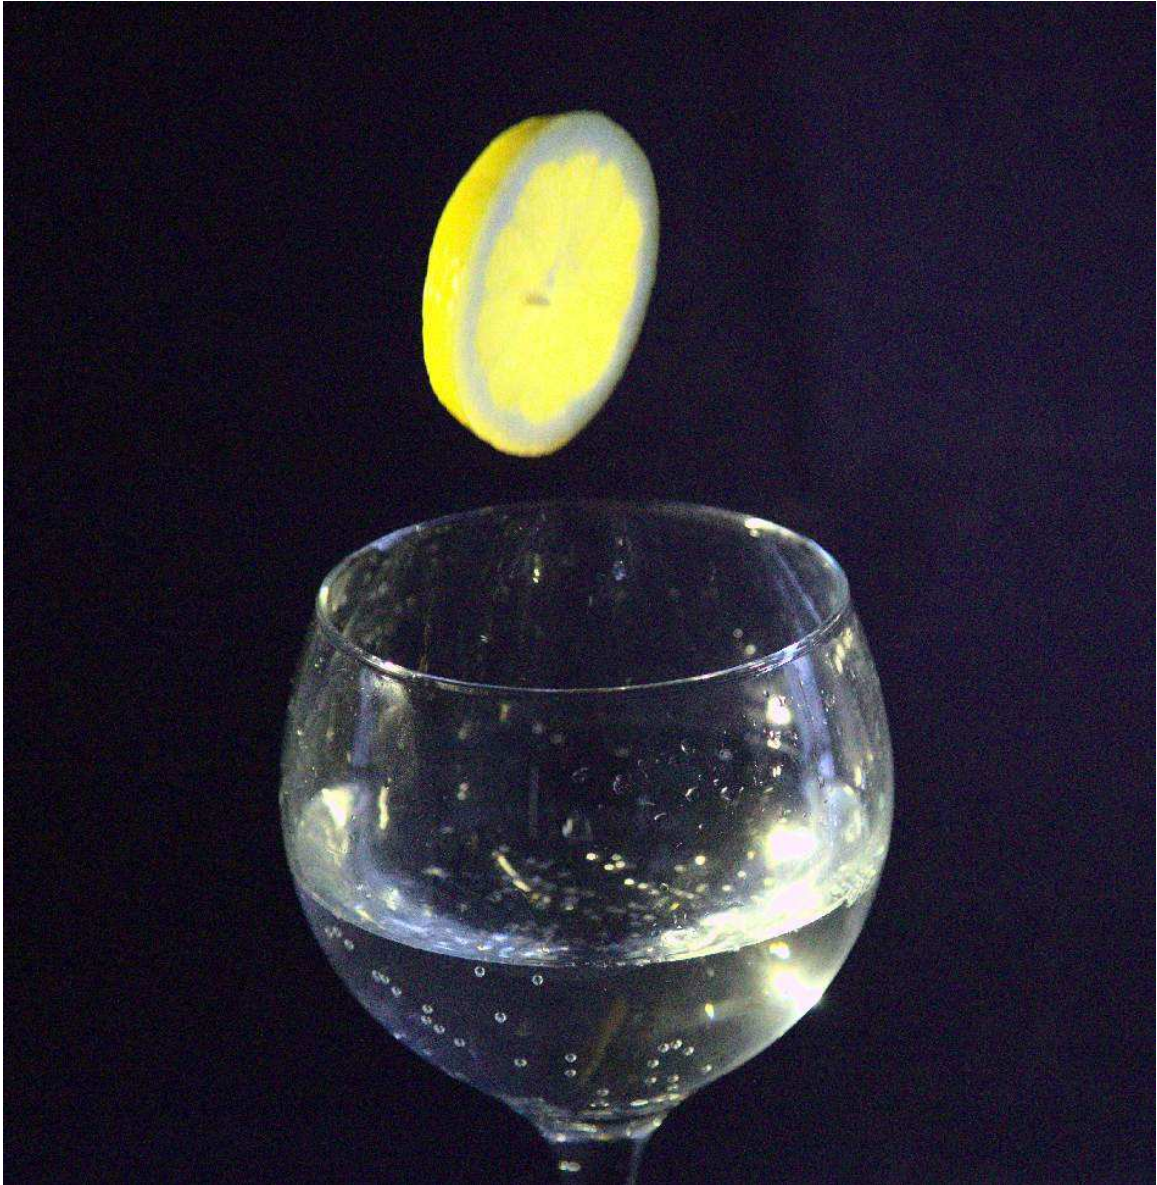

Alexandra, Janet Hughes, Pauline, Penny.
