

Roll: **20221025-9243**

Camera: **Canon EOS 5D Mark III: E53**

Film: **Full frame digital**

Subject:

Darkening sky.

Notes:

Inspired by the U3A photography project "Blue" these shots were taken from a tripod mounted camera on the Juliet balcony of our loft conversion. I think they turned out rather well in their own right even though they contribute little to the "Blue" theme.

Dates:

Dates and times are verified from original exif data.
